

Paul Mahar

PROFILE SUMMARY

A dynamic and versatile professional with a background encompassing insulation, photography assistance, retail sales, and franchise operations, now seeking to embark on a Diploma in IT Programming. Bringing forth a wealth of experience across multiple sectors, coupled with a meticulous attention to detail, strong problem-solving skills, and a deep-seated curiosity for emerging technologies. Poised to leverage this multifaceted skill set and adaptability to thrive in the ever-evolving landscape of IT. Committed to ongoing growth and development, poised to make meaningful contributions to the dynamic field of programming.

CORE COMPETENCIES

- **Communication Skills:** Demonstrated through maintaining open channels of communication with supervisors, coordinating transportation for wedding shoots, cultivating positive relationships with clients, and overseeing personnel supervision.
- **Problem Solving:** Exhibited by adeptly handling a wide array of specialized tools and equipment, implementing strategic initiatives resulting in increased sales, and overseeing franchise operations on a daily basis.
- **Time Management:** Shown through meticulous planning and adherence to schedules, consistently surpassing company targets and KPIs, and overseeing daily franchise operations.
- **Software Development Excellence:** Proficiently designing, developing, and maintaining software applications and systems in strict adherence to project requirements and industry standards.
- **Mastery of Coding Craftsmanship:** Demonstrating expertise in writing meticulously crafted, efficient, and well-documented code utilizing a diverse range of programming languages and cutting-edge technologies.

PROFESSIONAL WORK EXPERIENCE

Eastern Insulation Company – Halifax, NS

2020 – 2022

Labourer

- Executed the application of diverse insulation methods for buildings, meticulously measuring and customizing insulation materials, while maintaining open channels of communication with supervisors to guarantee adherence to project specifications.
- Proficiently handled a wide array of specialized tools and equipment, facilitated material transportation to work sites, and adeptly managed the loading and unloading of trucks.
- Demonstrated strength and agility in handling heavy materials, performed repairs on insulation as necessary, and prioritized the upkeep of a tidy and secure work area.
- Played a pivotal role in the seamless execution of insulation installations, contributing expertise in labor duties to maintain project momentum and uphold superior workmanship.

Ratchford Photographic – North Sydney, NS

2009 – 2022

Wedding Photographers Assistant

- Meticulously coordinated the intricate process of equipment maintenance and transportation for wedding shoots, guaranteeing the uninterrupted flow of production.
- Acted as a consummate chauffeur, adeptly navigating routes to transport photographers and clients to remote destinations, ensuring their comfort and punctuality.
- Implemented a comprehensive approach to the setup, surveillance, and dismantling of multiple wireless lighting infrastructures, optimizing illumination for diverse shooting conditions.
- Facilitated efficient workflow by organizing photography gear and assisting in the arrangement of scenes, contributing to the successful capture of memorable moments.

Nestle – Sydney, NS

2020 – 2022

Retail Sales Representative

- Cultivated and nurtured positive relationships with a diverse clientele exceeding 100 individuals, employing effective communication strategies to ensure client satisfaction and loyalty.
- Implemented strategic initiatives resulting in a noteworthy 15% increase in product sales within my designated route throughout the 2021 fiscal year, demonstrating a keen understanding of market trends and customer preferences.
- Exercised adept time management skills by devising and adhering to a meticulously planned schedule, consistently surpassing company reach/frequency targets and an array of key performance indicators (KPIs).
- Proactively monitored ad-grid activity to identify and capitalize on opportunities for upselling, leveraging insights to craft compelling in-store displays that captivated customers and drove sales growth.
